

APPENDIX A
List of Preparers

APPENDIX A
EIS List of Preparers

Organization/Name	Primary Responsibilities	Qualifications
RA Smith and Associates, Inc.		
Steve Berg, P.E.	Project manager; engineering studies; alternatives development; draft EIS preparation; public involvement	B.S. Civil Engineering; experience since 1982 in highway design, transportation engineering, and environmental studies.
John Elkin, P.E.	Engineering and environmental impact analyses; public involvement	M.S. Civil Engineering; experience since 1988 in highway design and environmental studies.
Scott Lietzau, P.E.	Engineering and environmental impact analyses; public involvement	B.S. Civil and Environmental Engineering; experience since 2001 in transportation engineering and planning.
TEM Inc.		
Mary Ellen O'Brien, Transportation/Environmental Specialist	Environmental impact analyses; EIS preparation; public involvement; agency coordination	B.S. and M.S. Environmental Sciences, Ph.D. course work in Land Resources; experience since 1976 in transportation environmental studies and EIS preparation.
Archaeological Research Inc.		
David Keene	Archaeological resource impact evaluation	B.S., M.S., Ph.D. Anthropology; experience since 1981 in Cultural Resource Management.
Dan Cain	Archaeological resource impact evaluation	B.A. in History and Anthropology, M.S. in Anthropology; experience since 1995 in Cultural Resource Management.
KL Engineering, Inc.		
Scott Cramer	Environmental impact analyses; EIS preparation; agency coordinator	B.S. Biology; experience since 1991 in environmental, air and noise, and hazardous material assessments.

Organization/Name	Primary Responsibilities	Qualifications
Heritage Research LTD.		
John Vogel, Ph.D.	Historic resource impact evaluation	Ph.D. History; experience since 1981 in Cultural Resource Management.
Traci Schnell	Historic resource impact evaluation	B.A. and M.A. Art History; experience since 1996 in Cultural Resource Management.
Casper Consulting		
Gary Casper	Herptile Study	B.S. Zoology and biological Aspects of Conservation; experience since 1981 in herpetology and environmental engineering.
Wisconsin Department of Transportation		
Robert Gutierrez, P.E.	WisDOT project supervisor, public involvement, review of engineering studies and EIS preparation for policy aspects	B.S. Civil Engineering; experience since 1988 in design and planning.
Karl Pierce, P.E.	WisDOT project manager, public involvement, review of engineering studies and EIS preparation for policy aspects	B.S. Civil Engineering; experience since 1983 in design and planning.
Robert Schmidt, P.E.	WisDOT District 2 environmental coordinator	B.S. Civil Engineering; experience since 1989 in design and planning.
Jay Waldschmidt, P.E.	EIS review for environmental aspects and legal sufficiency	B.S. Civil Engineering, B.S. Mining Engineering; experience since 1989 in highway project development and environmental law.

Organization/Name	Primary Responsibilities	Qualifications
Federal Highway Administration		
Jaclyn D. Lawton, P.E.	EIS review for environmental aspects	B.S. Civil Engineering; experience since 1975 in highway project development and environmental review.
David Platz, P.E.	EIS review for environmental and design aspects	B.S. Civil Engineering; experience since 1999 in highway project development and environmental review.
Roger Szudera	EIS review for Social and Economic aspects, including Relocation Assistance	B.S. Agricultural Economics; experience since 1969 in right-of-way acquisition, environmental document preparation, and review.
